

BEFORE SCHOOL G.E.M.S./G.I.S.E

For Grades K-3

G.E.M.S. stands for Girls in Engineering Math and Science. G.I.S.E. stands for Guys In Science and Engineering. In this class, specially designed for grades K-3, students will use Lego building elements, motors, sensors and computers to build robot prototypes and program them to move, react and make sounds. Put your creativity and ingenuity to work building robots!

**Minneapolis
Community Education**

**8:00 – 9:30 AM
Mondays,
Tuesdays and
Fridays
October 2, 2017
through May 4,
2018**

Minneapolis Community Education Before/After School Program Policies

Please review these policies and discuss them with your child before signing your registration form.

Minneapolis Public Schools Community Education Discipline Policy

Participating in before/after school programs is an opportunity that is extended to the youth of Minneapolis. All before/after school programs conform to the established behavior policies of **Whittier International Elementary School** and the Citywide Discipline policy of the Minneapolis Public Schools. Students are expected to behave appropriately both during the program and the bus ride home. A student may be asked to take a "time out" from an activity if he or she is misbehaving or acting inappropriately. If the problem is severe or persistent (continuing after warning(s) have been given) a note will be sent home with the student and he or she will not be allowed to participate until the note is signed by a parent or guardian and returned to the Community Education office, or until other arrangements are made including the possibility of suspension, in-school suspension, parent conference or loss of after school privileges. If a student is suspended from school they will not be allowed to participate in before/after school programs during their suspension. Parents are usually notified by phone if we are having problems with their child.

Community Education Behavior Policy

All children participating in the before/after school programs are expected to follow the rules for behavior when in class or on the bus. All students are given three chances. First referral, we will speak to student. Second referral, we will talk to student along with a call to the parent/guardian. Third referral, they will be removed from the program or bus depending on reason for referrals. Depending on the reason for referral, a student may receive two or three strikes on the first referral.

Thank you for including your payment with your registration form. The class fees provide the funds we use to pay our Youth Program teachers.

Donations to support our scholarship program are greatly appreciated!

Parent volunteers are always welcome!
