YWCA Girls INC 5-6

Are you a girl in 5th or 6th grade? Join in the excitement of the YWCA Girls Inc. Program! In this girls- only group you will create a community action project, have fun math and science experiments, learn about the power of money, and explore healthy decision making. Girls get to learn from a professional during group presentations after school field trips. Our mission is to empower girls and eliminate racism by inspiring all girls to be strong, smart, and bold. You don't want to miss out!

Led by Ms. Ma Xiong of YWCA
