## Active Improv (Gr. 4-8)

Get on your feet, play games, mess up, laugh, and try again! Learn the basic rules of improvisation, that can be applied to numerous games which you will piece together for an end of the term performance for friends and family! There will be laughing, there will be messing up, there will be goofing around; along with learning, team building, and presenting. Improvisation is a quick thinking tool, that lets your creativity roll, fostering the development of critical thinking, problem solving, listening, memorization, communication, and more, all while having lots of FUN.

## Fall PE Adventures (Gr. 4-8)

Active Solutions has taken the best of Minnesota outdoor Physical Education and created a after school outdoor Spring adventure course your child(ren) will not forget. This class will take place outdoors at Lake Harriet. Activities will include: biking, hiking, kayaking and fishing and outdoor PE Games (we will be in the gym when weather conditions are unfavorable). Teachers also incorporate math, reading, health, nutrition and wellness into their lessons. This class is perfect for the child that needs more movement in their lives! Lessons are designed to keep kids engaged in learning activities and to keep their heart rates elevated. Character building, cooperative skills, individual success and safety are all emphasized. Please dress for the weather.

# Minneapolis Community Education Youth Enrichment Program Policies

## Health and Medical

**School Health Services are not available during Before or After school.** Parents/guardians are responsible for notifying the before/after school site coordinator for any special needs or medical conditions that impact their child's health, well-being, or involvement in activities. If your child may need to receive either prescribed or over-the counter medications while attending before/after school programming, you must complete an authorization form before medication can be dispensed. **Medication must be in the original packaging or prescription bottle.** All medication will be securely stored on-site.

Does your child have any medical or special needs (i.e. allergies, asthma, learning disability or medical conditions)?

YES NO Please Explain: \_\_\_\_\_

Will your child require any medications during programming, including inhalers or EpiPens?

YES NO *\*If yes, a coordinator will be contacting you.*

## Student Behavior

In order to promote a safe and engaging environment, Community Education, Youth Enrichment, a program of Minneapolis Public Schools, conforms to the established behavior policies of the school site and the Minneapolis Public Schools Behavior Standards and Code of Conduct (P5200). If an incident does occur, Community Education staff will notify and work with families to develop reasonable next steps for the safety of all students and staff. This may include suspension or removal from the program without a refund. If a student is suspended from the school day it is also a suspension from Community Education Youth Enrichment.

## After School Activities Cancellation

In the event of inclement or severe weather, the district will decide whether to cancel after school programs. In the event of cancellations, your child's school will contact families and notice will be posted on [mpls.k12.mn.us](http://mpls.k12.mn.us).

**\*When after school classes are cancelled your child will be sent home on their end of school day bus.**

## Photo and Media Release

I give permission for my child to be **included in video or still photographs** representing Minneapolis Community Education Youth Enrichment. Photos/images may appear in newsletters, promotional brochures, and program websites.

## Walking Field Trips

I understand that WALKING field trips within one mile of school grounds are a part of participating in Community Education programs. Necessary precautions and supervision will be provided.

## Data and Survey Release

Certain data will be collected from and about participants in Community Education Programs Youth Enrichment. All data is considered private and confidential information. The intent is for Community Education, Youth Enrichment to evaluate program effectiveness and quality.

I give permission for my child to participate in informational surveys regarding the services provided by Minneapolis Community Education Youth Enrichment. All findings will be combined and reported group level. This could include the SAYO, class evaluations, focus groups, and teacher surveys.

Information may be shared with Minnesota Department of Education, school district officials, community partners, and **other person or entity authorized by federal or state law.**

**If you do not give permission for any of the above policies listed above, please contact the Community Education Coordinator.**

By signing, I certify that I have fully read, understand and will agree to the terms and policies outlined above. My child has my consent to attend Community Education extended day programs. I consent to my child attending and do not hold Special School District #1 (Minneapolis Public Schools) responsible or liable for accidents, or loss or damage of property.
