## Energy, Electricity, and Electronics

**GEMS** (Girls in Engineering Math & Science) **and GISE** (Guys in Science and Engineering)

**Mon & Tues 3:45-5:45pm (Both Sessions on both days)** (ExL)

*GEMS and GISE is an After School program designed specifically for students in the Minneapolis Public School District. Free!*

### Spring 2018 – Energy, Electricity, and Electronics

In these engaging and investigative classes students are immersed in the fundamentals of energy, electricity, and electronics. Students explore energy sources, examine energy basics and the future of energy including conservation and alternatives through an interactive problem-based approach.

Students work and learn through exciting, project-based electronics experiments utilizing circuit boards and electronic components for circuit construction, testing, and troubleshooting.

The culminating event for this class will be an Energy, Electricity, & Electronics Exhibition.

### Website 101 (ExL)

**Mondays 3:45-4:45pm (Session 1)**

**4:45-5:45pm (Session 2)**

Explore your interests and passions and learn how to build your own website!

Teacher: Ms. Carroll. **Free!**

### Dungeons & Dragons Club

**Mondays 3:45-5:45pm (Both Sessions)**

Dungeons and Dragons is a role-playing tabletop game with each participant playing a different character in a fantasy setting.

*New and experienced players welcomed! (\$55)*

### ST Math and Math Help (ExL)

**Mondays 3:45-4:45pm (Session 1)**

**4:45-5:45pm (Session 2)**

Students will improve their math understanding using ST Math and Prodigy on iPads. They may also work on math schoolwork and ask questions if needed. Teacher: Ms. Novak. **Free!**

### School Newspaper (ExL)

**Mondays 3:45-4:45pm (Session 1)**

The Justice Page School “Rhino Report” Student Newspaper needs YOU!

We are looking for content writers to research (including interviews), compose, and submit stories for our bi-weekly paper. Poets, photographers, and artists/cartoonists are also welcome. Also available on Tuesdays- students may attend one or both days. Teacher: Mr. Koupal. **Free!**

### Homework Help & Chill Space

**Mondays 3:45-4:45pm (Session 1)**

Get support on homework questions, or relax and unwind with a book or quiet games.

Teacher: Ms. Cathrine. **Free!**

### Cooking:

#### Chopped Junior

**Mondays 3:45-5:45pm (Both Sessions)**

The basket of mystery ingredients makes an appearance! Each week, work in teams to create a dish from surprise ingredients, plus our "pantry" basics. Judges will test the results and declare a winner of this friendly competition. Teacher: Chef Jen. (\$45)

### Creative Journaling

**Mondays 4:45-5:45pm (Session 2)**

This class will explore different mediums for self-expression, with a focus on creative writing. Through hands-on activities, we will learn about healthy outlooks, critical reflection skills, goal setting and achieving, and tracking daily habits. Other activities will include role playing, discussion of world issues, sketching/crafts, and responding to writing prompts.

Teacher: Ms. Cathrine. **Free!**

**Technology & Film/Movie Making (ExL)**

**Tuesdays 3:45-4:45pm (Session 1)**

Calling all Justice Page filmmakers! You'll be assigned a topic and storyboard, scout locations, and work on writing, shooting and starring in your own short film in iMovie. Be your own creative director: choose to make a stop-motion or live action masterpiece. Sign up Tuesdays, Thursdays or both. Teacher: Ms. Halbach. **Free!**

**School Newspaper (ExL)**

**Tuesdays 3:45-4:45pm (Session 1)**

Also available on Mondays- students may attend one or both days. Teacher: Mr. Koupal. **Free!**

**Anime Club**

**Tuesdays 3:45-5:45 (Both Sessions)**

Everything you need to know about "Anime" cinematography and its characters. We will watch and critique Anime, explore storytelling and motivation, and create our own stories. Teacher: Mr. Pratik. **Free!**

**Urban Debate League en Espanol**

**Martes 3:45-5:45 (Los dos Sessions)**

Presentar tu opinion en una forma persuasiva y con informacion adecuada es una habilidad muy valiosa en la vida, y puede se extremadamente divertido! Aprende a formar tus argumentos, a investigar un tema, y a competir en competencias de debate. Maestra: Ms. Cecilia. **Free!**

**ST Math and Math Help (ExL)**

**Tuesdays 3:45-4:45pm (Session 1)**

**4:45-5:45pm (Session 2)**

Teacher: Ms. Novak or Mr.Halvorson. **Free!**

**Musical Theatre Cabaret!**

**Thursdays 3:45-5:45pm**

**(Both Sessions)**

*Did you love the Lion King? Well, the fun isn't over yet! Learn a selections of musical theater numbers and get help on solo and small group numbers that you select. All members will be involved in big ensemble numbers. Students will have an opportunity to develop small ensemble songs of their choice once rehearsals have started. Students may choose to only be in the large group numbers. There will be a performance on Friday, May 5 at 6:30pm. Directed by Nicole Collins, with choreography by Sophia Meza. (\$45)*

**Urban Debate League**

**Thursdays 3:45-5:45pm (Both Sessions)**

Presenting your opinion in a persuasive and informed way is a valuable life skill, and can be extremely fun! Learn to support your argument, research a topic, and compete in debate. Teacher: Ms. Cecilia. **Free!**

**Chess Club**

**Thursdays 3:45-4:45pm (Session 1)**

Learn this classic game for the first time or sharpen your skills. Develop your analytical skills, concentration and memory, all while playing a classic game of chess. Teacher: Mr. Pratik. **Free!**

**Academic Bootcamp (ExL)**

**Thursdays 3:45-5:45pm (Both Sessions)**

*Improve your English language, Math, Reading and Writing skills and give your academic studies a boost!*

This is a full-year class that will give you the opportunity to work in small groups with Mr. Halvorson and, Ms. Kuntz. **Free!**

**Technology & Film/Movie Making (ExL)**

**Thursdays 3:45-4:45pm (Session 1)**

Sign up Tuesdays, Thursdays or both. Teacher: Ms. Halbach. **Free!**

**Math Tricks Magic**

**Thursdays 4:45-5:45pm (Session 2)**

Want to learn how to do tough math calculations in your head? Mental Math Tricks can help you become a human calculator! Learn that with a bit of practice, anybody has the ability to perform seemingly difficult math problems without a calculator. Teacher: Mr. Pratik. \$25

**Homework Help & Chill Space (Crafts)**

**Thursdays 4:45-5:45pm (Session 2)**

Get support on homework questions, or relax and unwind with arts and crafts. Teacher: Ms. Cathrine. **Free!**
