Minneapolis Community Education Youth Enrichment Program Policies

Health and Medical

School Health Services are not available during Before or After school. Parents/guardians are responsible for notifying the before/after school site coordinator for any special needs or medical conditions that impact their child’s health, well-being, or involvement in activities. If your child may need to receive either prescribed or over-the counter medications while attending before/after school programming, you must complete an authorization form before medication can be dispensed. **Medication must be in the original packaging or prescription bottle.** All medication will be securely stored on-site.

Does your child have any medical or special needs (i.e. allergies, asthma, learning disability or medical conditions)?

YES NO Please Explain: _____

Will your child require any medications during programming, including inhalers or EpiPens?

YES NO **If yes, a coordinator will be contacting you.*

Student Behavior

In order to promote a safe and engaging environment, Community Education, Youth Enrichment, a program of Minneapolis Public Schools, conforms to the established behavior policies of the school site and the Minneapolis Public Schools Behavior Standards and Code of Conduct (P5200). If an incident does occur, Community Education staff will notify and work with families to develop reasonable next steps for the safety of all students and staff. This may include suspension or removal from the program without a refund. If a student is suspended from the school day it is also a suspension from Community Education Youth Enrichment.

After School Activities Cancellation

In the event of inclement or severe weather, the district will decide whether to cancel after school programs. In the event of cancellations, your child’s school will contact families and notice will be posted on mpls.k12.mn.us.

***When after school classes are cancelled your child will be sent home on their end of school day bus.**
