

*This Week in the Whittier Pollinator Garden*

*A snapshot of what's happening in the garden this week.*

*Pictures taken by the Whittier Eco-Ambassador Team*

*Week of May 1, 2017*

*It was rainy and cold for much of the week. Not much change, but a few new signs of spring:*

Tulips peeking up out of the arborvitae

Eco-Ambassadors with Ms. Bertha

The Indian Hemp, *apocynum cannabinum* has grown to over a foot tall.
