

# Wellstone after 3pm!

## Some fact-checked truths

We rock! Our last After School Survey of Academic and Youth Outcomes (SAYO) our Spring report and our 21st Century teacher survey showed that **after-school impacted positively** the life of new comers who are finishing high school at Wellstone. How do we know that?

**75%** of the school **attended after-school programming.**

After-school offered classes in **4 different languages:** English, Somali, Spanish and Oromo.

Our students received year-round help from **32 Academic tutors.**

**97.8%** of Wellstone After School students say that they have a lot of friends in our programs and **93.4%** made those friends during after-school time.

**98%** of Wellstone After School students say that they felt challenged in a **good** way.

**100%** of school teachers think that After School students are able to think of several solutions to a problem.
